

Administration Report – AGM 2021

2021 Membership

- 122 family members. This is one more than 2020 and seven less than 2019. This number does not distinguish between full and partial year members.
- 24 brand new family members.
- 15 teacher members. This includes three new teacher members – two violin/viola teachers Kaelah Owens-Fleetwood and Katherine Quirk and one guitar teacher Eduardo Ruiz.

2022 Membership

- The 2022 family membership form is now available on the website under “Suzuki Forms”. Sign up before 14th February to receive the early bird discount of \$30.
- I will send an email with the link next week.
- If you have any photography skills at all, please let us know in the volunteer section of the form, because we sometimes need someone when our main photographers are unavailable.

Newsletter

- Thank you for all the wonderful contributions this year.
- Feel free to let me know if you would like to make a contribution or have any ideas. It’s easiest for me if contributors include lots of photos and proofread their articles.
- Newsletter contributions are due at the end of week one each term, but earlier is preferred.
- Members are welcome to advertise music items for sale in the newsletter. Member advertising is free. Email the Suzuki office and include a description, price, photo and contact details.

Website

- The website is the go-to place for everything Suzuki including forms, event downloads like sheet music, diary dates, event details, past newsletters etc. It’s a good idea to check the website if you’re after something, because chances are it is there.
