### European 1/4 Violin

We purchased this lovely instrument in 2016 from a violin-maker in the famous southern German violin town of Bubenreuth

It is a quality student violin with a beautiful clear tone and surprisingly clean response for an instrument of this size

This violin has been well-loved and well looked after, with only one small scratch

It comes with bow, comfortable centre chin rest, shoulder rest and case

If you are interested in trying the instrument, please contact me to arrange a mutually convenient time and place

Selling for \$700 (includes bow and case)

### American Jay Haide 3/4 Violin and Accessories

My daughter grew out of this violin in about half a year! This violin has been picked by her teacher and herself from a few sent over by Antonio Strings. The sound is quite outstanding with bright, round and good projective characteristics. We love it a lot but it's a shame that she could only work with it for about half a year...teenagers just grow too fast! It would be great if it can be played by another child in the Suzuki family.
