American Jay Haide 3/4 Violin and Accessories

My daughter grew out of this violin in about half a year! This violin has been picked by her teacher and herself from a few sent over by Antonio Strings. The sound is quite outstanding with bright, round and good projective characteristics. We love it a lot but it's a shame that she could only work with it for about half a year...teenagers just grow too fast! It would be great if it can be played by another child in the Suzuki family.
